International Day of the Baltic Harbour Porpoise 2007

The ASCOBANS/CMS Secretariat has developed the attached image file to celebrate the International Day of the Baltic Harbour Porpoise 2007. The cost of the design was covered by the CMS information budget. The attached image is submitted to AC14 in order to identify possible donors for the printing of posters and postcards. As the ASCOBANS 2007-2010 budget does not include any information and outreach funds, information work would need to rely on voluntary contributions.

Below are listed the lower estimates submitted to the CMS Secretariat for the printing of the material.

a) Design	225.00E (currently covered by CMS)
b) Print Postcards (5000 copies)	392.75E (+19% VAT) = 467.38E
c) Print Poster (5000 copies)	1372.00E (+19% VAT) = 1632.68E

Total:
2325.06E

13% UNEP overhead: 302.26

GRAND TOTAL: 2627.32E

Shipping costs should be added to the grand total above, and they might differ from country to country.

CMS Secretariat would be glad to make the image file available to those Parties that prefer to print it directly, provided few copies of the products would be forwarded to the CMS Secretariat for display.
